PTA Members:

Thank you so much for coming out for the Family Movie Night, in January! We had so much fun, and hope you did too!

It is time to get ready for the 2015-16 school year. We are looking for any volunteers that would be willing to work on the board next year. We need moms who want to be included, know what is happening, and want to help in any way they can!!!

Ann Caballero is going to be your new PTA President, and is in need of a whole new presidency! A President Elect, who will take over the following year, a secretary and a treasurer. If you would like to know more information about the positions or other positions available for next year, please give Ann a call. We NEED everyone's help to make our school GREAT!!!

We will be having our Monthly Meeting: February 18th, at 1:30 in the teacher lounge. All board members are to come and any that want to learn about the PTA, please come!!

Thanks for all you do to help the PTA, and our school!

Amy Staheli

**Box Top War** – We will be having a Box Top War the week of **February 17 – 20**. Start saving your Box Tops. The class with the most Box Tops will receive a reward! If using the attached box tops sheets, **TAPE** the box tops to the sheet, **DO NOT** glue them on. You may also send them in bundles of **25** or **50** in a baggie. More information will be coming!

**Kindergarten Registration**
We will be holding Kindergarten Registration for the **2015-2016** school year on, **Thursday, March 19, 2015 from 8:00 a.m. to 4:00 p.m.** Please help us by informing neighbors, friends and relatives who do not currently have children in school.

**REMEMBER** to complete registration you must present an **official birth certificate (no small cards)**, **immunization records, and evidence of residency** when you come. **PLEASE bring this**
information even if it is not complete. **REMEMBER** that your child needs to come with you so that they can have their pre-assessment screening.

For kindergarten attendance, Utah State law requires the following immunizations for the protection of your child and others from communicable diseases:

5 DTaP  4 Polio  2 MMR  3 Hepatitis B  2 Hepatitis A  1 Varicella (Chickenpox)

The complete dates of the required immunizations or the correct exemption waiver must be submitted to the school before a child may begin to attend school. Immunizations are available from your personal physician or from the Utah County Health Department. **Remember that the 6th Grade students going into 7th Grade are required to have a Tdap before school starts.**

**Education Fair**
The 29th Annual Education Fair will be held Wednesday, **April 1. Language Art Entries will be due on March 23.** We encourage all students from 1st Grade through 6th to begin thinking about and preparing for the fair. Rules and other expectations will be coming in the next few weeks. This is a great opportunity for our students to learn in detail about topics that interest them in the four category areas. (Math, Science, Language Arts and Social Studies). We are looking forward to another great year.

**Math Excellence**
We will continue to work on Math Excellence during February and March. All students with the exception of Kindergarten are participating. Students are tested almost daily on the math facts for their particular level. Teachers continue to challenge each student to improve their time. The goal must be achieved by End of term March 19th. A special grade level activity will be attended on March 27 by all who complete their grade level goal. We encourage you to help your children practice their math facts. If you have questions about what your child’s goal is please contact their teacher.
