Homework Club

The Homework Club at Goshen Elementary is intended to help students succeed in class. Students may come to do assignments from class that they need to make up. It is also designed for students who are struggling with specific topics in class. Mrs. Parkin is there every morning and will help students get assignments done and understand difficult topics. There are also computers in the club which will allow students to use *Success Maker Math or Reading*. Every student is invited to attend. Students may come every day or just as needed. The club is held Monday-Friday from 8:00am to 8:30am.
